January 2008

DOES IT AGAIN!!!

Howell, NJ —

This years Grandmother's Tournament was held at Howell Lanes on January 13th, 2008. 19 doubles teams entered with a dream of becoming the next "Grandmother's Champion" but only 1 team would reign.

Two time champion Diana Vitale came with a new partner this year, Liberta Armstrong to take back her title from last year champions, Dot Taylor & Nancy Lysko who finished 3rd this year bowling a 1249 series.

Diana & Liberta rolled a 1314 series, out bowling the 2nd place team (and friends) Eileen Vanderbilt & Mary Ganczarski (1295 series) by 19 pins.

Congratulations Diana & Liberta!!

FIRST TIME WINNER!!!

I guess bowling 6 games didn't stop this bowling grandmother, because this year we had 34 entries and Mary Ganczarski came out on top.

I overheard someone mentioning 6 games was too much for these bowling grandmothers,

but Mary Ganczarski sure did prove them wrong by out bowling her doubles series with a 650 total and beating Paulette King out by just 4 pins.

Congrats to Mary & Thanks for proving them wrong!!!

Next's year tournament location has not been decided yet, but once it has look out for the application....

Your prize list & thank you gift is enclosed, Thanks again for participating!!!

NICE BOWLING TO ALL THE GRANDMOTHERS
